

Integrity And Proficiency Are The Cornerstones Of Our Firm

A Firm Commitment To You

At Icard Merrill, we understand that our clients need us most during some of the more critical decisions of their lives – purchasing or selling real property, forming or selling a business, planning for their estates, defending or bringing a lawsuit, adopting a child, relocating a professional practice, developing a condominium project or a subdivision, borrowing money for business or personal reasons, rezoning property to reflect changes in use and demographics. These and many other events can alter the course of clients' lives and businesses, and our lawyers are dedicated to ushering clients through those events with excellent legal advice and counseling. We are honored to be trusted with these critical issues and approach each client's legal concerns with a commitment to integrity and high-quality legal advice every step of the way. We maintain high scholastic and ethical standards for our lawyers and continuously broaden our knowledge and expertise in order to best serve our expanding base of clients. Our commitment to our clients includes a commitment to our community. Icard Merrill's lawyers and staff work diligently to improve the communities in which we work and live, spending countless hours each year supporting organizations that maintain and enrich the lives of residents and visitors alike.

In all aspects of our practice and in our community leadership, the lawyers of Icard Merrill make a commitment to integrity and excellence. We make a firm commitment to you.

In the words of the firm's founding partner, Thomas F. Icard, the goal of Icard, Merrill, Cullis, Timm, Furen and Ginsburg, P.A., has always been -- and continues to be -- "to conduct a sophisticated law practice with an outstanding reputation for honesty and integrity, as well as legal capability."
